DETERGENT

Hazard-Duty
LAUNDRY

Military-grade decontamination

Destroys Toxins, Odors + Stains On A Molecular Level

No need for additional products!

In decontamination management of chemical and biological terrorism, speedy and effective removal of toxic irritants in hazard-duty clothing is essential. DKON Laundry uses a groundbreaking formula, originally developed for high-impact military decontamination.

- Neutralizes Pepper Spray & Tear Gas
- Destroys CWA & BWA Residues
- Free Of Dyes, Fragrances & Brighteners
- Safe For Flame-Retardant & Insect-Repellent Fabrics
- No Fading Of Camouflage Patterns
- Reduces Visibility In The UV & Infrared Spectrum
- 100% Efficient In Cool & Cold Cycles
- No Pre-Wash Necessary
- Odorless, Biodegradable & Nontoxic

Applications:

For Hazard-Duty Laundry

CONTENTS

32 fl oz Part A

32 fl oz Part B

Approximately 50 Loads
