

Disinfectant, Cleaner,
Deodorizer
wipes kit

Hospital-Grade Disinfectant + Wipes

For a cleaner, safer home and office.

Our nontoxic formulation has an unmatched level of effectiveness. It kills 99.99999% of bacteria and viruses, and removes chemical pathogens such as formaldehyde, volatile organic compounds (VOCs), and irritants that aggravate asthma, allergies, and chemical sensitivities.

Stains, odors, and toxic chemicals are broken down into nontoxic, biodegradable components. It even removes harmful residues left by other cleaners, sanitizers, and disinfectants. After use, a fungistatic barrier remains to prevent the regrowth of spores, bacteria, and viruses for over 21 days. Safe on all surfaces, including screens and personal electronic devices.

EFFECTIVE AGAINST: *Staphylococcus aureus, MRSA, Staphylococcus epidermidis, Salmonella enterica, Pseudomonas aeruginosa, Klebsiella pneumoniae, Proteus mirabilis, Vancomycin-resistant, Enterococcus faecalis, Enterobacter aerogenes, Escherichia coli (O157:H7), ESBL, Listeria monocytogenes, Clostridium difficile, Bacillus subtilis, Bacillus anthracis, Yersinia Pestis, Influenza Type A & B + (H1N1), Norovirus & COVID-19*

- All-In-One Disinfectant, Cleaner & Deodorizer
- Highest Kill Rate In The Industry: 99.99999%
- Exceeds EPA Standards For Disinfection
- Eradicates Germs, Bacteria & Viruses
- Removes Chemical Toxins
- Eliminates Odors & Stains
- Prevents Infection & Cross-Contamination
- Prevents Recolonization For Over 21 Days
- Safe On Electronics + Smartphones
- Noncorrosive. Nontoxic. Biodegradable.
- No Formalin, Chlorine, Or Carboic Acid
- Heavy Metal Free
- 100% Safe & Environmentally Friendly
